RATE INCREASE: Unfortunately, costs continue to escalate throughout the water and wastewater industries along with the continued infrastructure repairs and updates required to our aging water and wastewater systems, as a result it is necessary to raise rates to help offset those costs. Rate adjustments are based on a cost-of-service analysis conducted by the Nebraska Rural Water Association to ensure each customer pays a proportionate share of the costs. **REMINDER,** sewer rates are based on the water you use in the months of December, January and February. Fix leaky toilets, dripping faucets and running softeners now to prevent high sewer rates.

BUILDING PERMIT REMINDER: Many home/property improvements including decks, fences, sidewalks, driveways, swimming pools, sheds, car ports, retaining walls etc. require a building permit. Please contact the Village Office to see if your project requires one before starting ANY home improvement project.

GET INVOLVED: The Celebrate Ceresco Subcommittee is a subcommittee of the Village of Ceresco Board of Trustees.
